Annex

Yangling Vocational and Technical College

2022 Specialties list

NO	Department	Disciplines category	Specialties
1	Department of Hydraulic Engineering	Hydraulic project and management	Hydraulic project
2			Hydraulic and hydropower engineering technology
3			Hydraulic and hydropower construction engineering
4		Hydraulic and hydropower equipment	Intelligent management of Hydraulic electromechanical equipment
5		Construction management category	Construction supervision (Hydraulic project supervision)
6		Municipal engineering	Water supply and drainage engineering technology
7		Security category	Safety technology and management
8	Department of Construction engineering	Construction category	Construction technology
9		Building equipment category	Building equipment engineering technology
10		Construction management category	construction costs
11		Construction management category	Construction supervision
12		Municipal engineering category	Municipal engineering technology
13	Department of Traffic and Surveying Engineering	Surveying and mapping geographic information category	Engineering survey technology
14			Photography and remote sensing technology
15		Railway transportation category	Railway engineering technology
16		Road transport category	Road and bridge engineering technology
17			Urban rail transit engineering technology
18			Urban rail transit operation management
19		Urban rail transit category	
20	Department of Electromechanical Engineering	Electric power technology category	Power system automation technology
21		Mechanical design and manufacturing	mechanical manufacture and automation major
22		Electromechanical equipment category	Electromechanical equipment technology

23			Mechatronics technology
24		Automation category	Industrial robot technology
25			Electrical automation technology
26		Automobile manufacturing category	Automobile manufacturing and test technology
27			New energy vehicle technology
28	Department of Information Engineering	Electronic information category	Application of electronic technology
29		Computer category	Computer Applied Technology
30			Big data technology
31			Animation production technology
32		Communication category	Modern communication technology
33	Bioengineering Department	Agricultural category	Horticultural Technology
34			Plant protection and quarantine technology
35			Processing and quality inspection of agricultural products
36			Green food production technology
37		Biotechnology category	Agricultural technology
38		Food category	Food inspection technology
39	Department of Environmental Engineering	Forestry category	Forestry technology
40		Environmental protection category	Environmental monitoring technology
41		Architectural design category	Garden engineering technology
42			Landscape design
43			Architectural interior design
44		Soil and water conservation and water environment category	Monitoring and control of water ambient intelligence
45		Art category	Environmental art design
46	Department of Pharmaceutical and Chemical Engineering	Chemical technology category	Petrochemical technology
47		Drugs and medical devices category	Pharmaceutical production technology
48			Biopharmaceutical technology
49			Drug quality and safety
50			Drug management and management
51		Pharmaceutical category	pharmacy
52		Traditional Chinese medicine category	Chinese medicine pharmacy

53		Management and promotion category	managed care
54	Department of Animal Science and Technology	Animal husbandry category	veterinary medicine
55			Animal husbandry and veterinary
56			Pet medical technology
57			Pet care and training
58	Department of Business and Trade	Financial accounting category	Big Data and Financial Management
59			Big Data and Accounting
60		Electronic commerce category	E-commerce / electronic commerce
61			Business data analysis and application
62		Logistics category	Modern logistics management
63	Real estate category	Modern property management	
64	Department of Tourism and Management	Tourism category	tourism management
65			Hotel management and digital operation
66			Exhibition planning and management
67		Language category	Applied English
68		Public management category	human resource management
