

2023 Prospectus for International Students

Changzhou Vocational Institute of Mechatronic Technology

I. About Changzhou

Changzhou is located in the south of Jiangsu Province, with a population of over 5.3 million. The city is blessed with a history of 3,200 years and a highly developed economy. In 2021 , the city has gained a GDP of 880.76 billion yuan. with its rich resources of cultural relics and nice environment, it is one of the most attractive cities in China for studying, living, investing and working.

Located between Nanjing (the provincial capital) and Shanghai (China's financial center),Changzhou constitutes a metropolitan area with Suzhou and Wuxi, where you can enjoy convenient transportation. You can fly to over 30 major cities around the world from Changzhou Ben Niu International Airport. Changzhou has two railway stations, one in the city center and the other in the northern part of the city. It takes only 50minutes to Shanghai and 5 hours to Beijing by high-speed trains. Metro line 1 and 2 are in operation which can quickly take you from the university to the railway stations and major shopping malls.

II About CZIMT

Changzhou Vocational Institute of Mechatronic Technology is a provincial public full-time ordinary institute, which is subordinate to the Department of education of Jiangsu Province. Located in Changzhou science and education town. It was approved as a high-level Higher Vocational College in Jiangsu Province in 2018 and as a construction unit of high-level higher vocational schools with Chinese characteristics in 2019.

Covering an area of 842 Mu and a construction area of more than 300000 square meters, the institute has more than 12000 full-time students (nearly 400 foreign students) and more than 760 teaching staff. The institute has been successively rated as the national college with typical experience in graduate employment, the top 50 service contributions of national higher vocational colleges, the top 50 educational achievements, the top 50 international influence, and the top 50 innovation and entrepreneurship demonstration schools of higher vocational colleges.

One belt, one road, and other countries in Laos, Bangladesh and other countries have been recruited by the school since 2016. More than 600 overseas students have been enrolled. 2021 2022 and 2023 won the honorary title of "advanced collective of education for foreign students in Jiangsu Province" for three consecutive years. The institute has vigorously promoted the construction of internationalization, introduced AHK and other international high-quality educational resources, served Delong nickel and other "going global" enterprises, built "CZIMT-Delong nickel" Indonesian school and Indonesia SMK international teacher training center, and actively carried out cross-border training.
