Note:

1. To ensure that students enroll on time, it is recommended that when submitting the first stage materials, students begin to apply for passports, no criminal certificates, medical examinations, and bank deposit certificates.

2. After receiving the electronic admission notice and JW202 form, students can start processing their visas. At the same time as obtaining the visa, receive a hard copy of the admission notice.

It takes 2-3 weeks from the start of online visa application to obtaining the visa. Please plan ahead.
